

## TACKLE: Design your own fishing lure.

Contributed by MFT

THIS IS YOUR CHANCE TO DESIGN YOUR OWN CUSTOMISED SPINNER BAIT.

### WHY A CUSTOM LURE?

With this lure you will get all the benefits of the coolest lure around, with the added bonus of knowing when you catch with it that it is all your own design. Imagine the satisfaction. There are 6 choices to make- A. Lure Shape, B. Pattern, C. Colour, D. Hook , E. Dressing, F. Text.

Follow the information on this page, look at the pictures and make your choices, Its very important that you leave a note with your payment as obviously the lure can not be made until your information is available. Its Very Easy. Just follow the page down to make your choices.

CHOICE A IS BODY SHAPE(Leave note in box provided when paying through paypal.)

A = 1.OPTI, 2.GUPPY, 3.MINNOW)

BODY SPECIFICATIONS. Fresh/brackish/saltwater: All Waters. Technical Features: hardened stainless-steel wire, three-dimensional eye, reflective tape.

Target Species: Pike, Sea Trout, Brown Trout, Rainbow Trout, Zander, Bass, Sea Bass, Striped Bass and most other predatory species. The weight displayed here are the finished item complete with hooks and blades.

OPTI :Weight: 12 Grms.

GUPPY :Weight: 20 Grms.

MINNOW :Weight: 25 Grms.

CHOICE B IS LURE PATTERN. (Leave note in box provided when paying through paypal.)

B = Spotted or Striped)

When choosing the pattern, you need to consider what species of bait fish your chosen predator feeds on.

Both the spotted and striped patterns are proven to catch so if your not sure just pick which one you think looks best.

CHOICE C IS LURE COLOUR. (Leave note in box provided when paying through paypal.)

C = Colour choice

COLOUR SPECIFICATIONS.

Coloured dyes are mixed with the resin and then cast into the body of the lure..

The colours are translucent to ensure the inside body pattern can be seen and the Holographic tape reflects the suns rays or light source the same way that a fishes scales does.

Different colours are more attractive to different fish species, this is where it is important for you to choose the colour that best suits the conditions, species and waters that you will be fishing with this lure.

All colours are proven to catch, and there is no doubt whatever colour you choose will get great results.

CHOICE D IS HOOK TYPE. (Leave note in box provided when paying through paypal.)

D = HOOK TYPE

#### HOOK SPECIFICATIONS.

ALL Hooks are VMC Perma steel hooks.

We will use the best compatible hook size with the body shape that you use.

The next choice you have to make is the dressing for your chosen hook type.

CHOICE E IS HOOK DRESSING. (Leave note in box provided when paying through paypal.)

E = Dressing colour choice

#### DRESSING SPECIFICATIONS.

ALL Mango Dressings are now synthetic fibres, wound into the hook length to ensure extra strength and Longevity...

Different colours are more attractive to different fish species, this is where it is important for you to choose the colour that best suits the conditions, species and waters that you will be fishing with this lure.

All colours are proven to catch, and there is no doubt whatever colour you choose will get great results.

If you dont want a dressed hook then that option is also available.

CHOICE F is the Text or personal message you want inside your Mango Lure..

(Leave note in box provided when paying through paypal.)

F = Your message here

You can have any text you want inside the lure, the only limit apart from your imagination is the length of text which is 20 characters maximum.
